**Please Sketch Diagram**

Below is a diagram with the fuel gas system details, include:

- Building footprint, relevant property lines
- Location of tank(s) above and/or below ground
- Is there a concrete slab under the tank?
- Is it anchored to the slab?
- Number & size of anode bags.
- Type of fill

A full page of blank graph paper with a uniform grid of small squares. The grid consists of 20 columns and 20 rows, creating a total of 400 small squares. The lines are thin and black, set against a white background. There are no margins, text, or other markings on the page.
